

Stafford Lions Club 3rd Annual Stafford Fall Festival, Saturday, October 7th, 2006

Email: _____

Subject: Third Annual Fall Festival

Please join us for the **Stafford Lions Club Third Annual Fall Festival**. You might not remember last year because we chose the day of Hurricane Katrina and only a few of us huddled under our tent to weather the storm. With a soggy lesson learned, we are planning an even better event. This year, a bulk of the activities will be inside the middle school to insure a successful day. Join us for a fun packed day of events and good food. We hope you can participate in this year's event either as a vendor or as a sponsor. The Lions motto is "We Serve". The Stafford Lions Club each year supports local efforts such as sight and hearing support, scholarship, youth organizations, and all forms of community service. The proceeds from this event help fund our local efforts. Please consider which vendor category or sponsorship category that you would like to be involved in and any questions please contact one of the representatives below. Please return the application to us by September 15th to aid our event planning. The last day for accepting either vendor or sponsorship requests is September 29th.

Thank you.
